UPDATE YOUR MEMBER PROFILE

NCMA revised the online personal profile to better serve you and address your membership interests. Please take a moment to complete the new section of the form; this will ensure that your member record remains current, and tells NCMA your contact preferences. You can make changes to your name, company, job title, email, etc. Login to the Membership area on the NCMA homepage for more info.

MEMBER SPOTLIGHT

This month's spotlight is on our own Programs Chair, **Jennifer McGrath**. Jen is an attorney with Convergys Corporation specializing in Government contracts. After graduating from Ohio State and attending law school at UC, she worked at the law firm of Dinsmore and Shohl litigating cases in Ohio and Kentucky before moving to Convergys. Thanks for helping our chapter and making a difference, Jennifer!
