JUNE 2008

PROGRAM YEAR WRAP-UP

Wow, what a year! The 2007-2008 Program Year is drawing to a close, but our chapter's momentum isn't slowing down. This year included some terrific guest speakers on a wide range of topics, and even World Congress here in town. Next year promises to build on our success and bring even more value to our members. Chapter leaders are already planning next year's program beginning July 1st.

SUMMER CHAPTER MEETINGS

As the program year wraps up, there is plenty of work being done behind the scenes planning for next year's program. However, given vacation and school schedules, we will not have chapter meetings during June, July and August. Our next regular member meeting will be scheduled for September to kick off the new 2008-2009 Program Year. More details will be published in our next newsletter in August.

CHAPTER VOLUNTEERS

If you are interested in filling a volunteer committee chair position or simply supporting our chapter activities, please contact Martin at martin.hamlin@ge.com. Our chapter has grown a bit this year, and volunteer support is key to continuing a valuable program for NCMA members in our area. Committee chair position descriptions are available on our chapter website for your information. Help is always welcome!

CHAPTER WEBSITE

We continue to update our chapter website to include more information and improve usability. Be sure to check back often and see what's new. Our recently revised and approved chapter by-laws are now posted, as well as previous presentation charts, with more to come soon. As always, if you have any suggestions on format or content, please send them to Justin at justin.williamson@ge.com.

Have a great summer!
